## A few words from the Principal

Is leath den fhéile fáilte chaoin (half of hospitality is a warm welcome) and so on behalf of the Board of Management and School staff of St. John the Baptist Junior Boys' School, I am delighted to welcome you to this year's table quiz.

As you may know, we have just completed the first phase of a joint building programme as a result of which we have ten spacious and beautifully appointed classrooms. The challenge for us is to equip them with the resources and extras which have distinguished our School in terms of what we offer the children we teach here in Belgrove. Events such as Arts Week and visits by theatre companies as well as the rich variety of interactive and concrete materials would not be possible without the money generated here tonight.

We gratefully acknowledge the support of you, our sponsors, especially during these challenging times for business. Economic research suggests that every €100 spent in locally owned businesses contributes an extra €55 to the local economy through the multiplier effect. We, the school body, urge all the parents and other attendees here tonight to support our local businesses when the opportunity presents.

As the seanfhocal says, Ní neart go cur le Chéile.
